

Meet the Riviera Proshop Cleaner!

No no, just kidding! Read more about Pieter, the Riviera Proshop Assistant

1. You haven't been here long, however how do you like working at Riviera on Vaal Country Club Proshop?

It is an Honour working here, the guys in the shop makes me feel welcome and I have a good relationship with all our members.

2. You came here from Mooinooi Golf Club in Rustenburg, how are the two courses different from each other?

First of all, I learned to play the game there and spent a lot of hours there on the course, but it is almost the same, you have your highs and lows anywhere.. but the only difference is that Riviera on Vaal Country Club is a 18 hole golf course and Mooinooi Golf Club is a 9 hole course.

3. Congratulations on winning the Club Championships on 23rd and 24th of September 2017, how did you feel when you won the trophy?

Thank you, I stayed humble taking it in as a normal day on the course. We had a braai after a long day with the members and I was enjoying every moment of the tournament.

4. Which hole is your favourite on the Riviera on Vaal Country Club course and why?

No 14 , if you hit a good shot you will get rewarded but if you miss it slightly you can end up making a triple bogey easily, like I did on the final day of club champs.

5. What is your favourite golf club in your bag and why?

My driver because I normally hit it straight and leave myself in good scoring position.

6. What has been your biggest achievement in your golf career to date?

Representing North-West in the Inter Provisional TournamentU19 for 2 years in a row.
